Esther Guerrero, Planner, noted that staff is recommending denial of a C-3 (Commercial). The proposed zoning is not compatible with surrounding residential uses and districts. Staff is recommending a C-1 (Commercial). She also noted that a C-1 would not permit a dance hall. A C-3 would permit a dance hall but a special permit would be required. She noted that staff received several calls from the neighbors and most of them were opposed to a dance hall.

Ray Mancera introduced Gerardo Martinez, son of the new property owner. Mr. Mancera noted that they met with the Stiles Neighborhood Association and had a good turnout. He said that the Stiles Neighborhood Association is against a dance hall and a bar but are in favor of a grocery store and a pharmacy or something that would benefit the community. He is requesting a C-3 zone and is aware that they need a special permit. They are willing to exclude the sale of used cars, a night club, a bar, or a cocktail lounge.

Commissioner Nance asked if there was anyone in the public who wished to speak in favor or against this request.

The following persons spoke against the rezoning of a C-3.

- Aurelia Rogue noted that she is neither for or against this request but would prefer a grocery store or a drugstore. They need something that will benefit the community.
- Ms. Cadena reiterated Ms. Rogue's comments,
- Elva Villagran representing Raul Dominguez, President for Stiles Neighborhood Association noted that Mr. Dominguez is against a C-3 zone. The Stiles Neighborhood Association is against a dance hall, bars, or a cocktail lounge. They are requesting something that will benefit the community. Ms. Villagran has a petition with signatures of those neighbors that are against the whole project. She feels that after the meeting with Mr. Mancera and the Neighborhood Association there were still many issues that need to be addressed.
- Juana Rodriquez asked for someone to translate for her and Esther Guerrero assisted her with the translation. She wants the applicants to consider building a pharmacy or a grocery store. She thanked the Commission for listening to their concerns and asked that they consider not allowing apartments, bars, or a dance hall on this property.

Mr. Mancera responded to some of their concerns and noted that they are willing to accept a C-2 zone.

**ACTION:** Motion made by Commissioner Borden, seconded by Commissioner Vorba, and carried to **DENY A C-3 ZONE AND APPROVE A C-1 ZONE WITH THE EXCLUSION OF NIGHT CLUBS AND BARS.**

10. Discussion and action on a Resolution amending a previous adopted policy establishing criteria allowing the city to convey property to the abutting property owner owning the underlying fee simple for less than the fair market value and for city initiated vacation of such land.

Staff Contact: Raul Garcia, (915) 541-4935, [garcia1@elpasotexas.gov](mailto:garcia1@elpasotexas.gov)

Raul Garcia, Senior Planner, gave a brief presentation and noted that the criteria has to be met in order for this policy to be applied. The City will apply this for any and all vacation applications that meet these criteria. A lot of these criteria that existed in the previous resolution is being kept with some additions.

This was prompted because of a situation on Tobin Street and Hardesty Street where the whole block is encroaching in an alley. That raised some issues for some residents and City Council directed staff to come up with some sort of process that would facilitate a vacation of right of ways in that particular type of situations.

The fair market value is based on comparables and also allows the City to convey the property to the abutting property owners for 10% of the fair market value. This is a percentage that staff came up with essentially giving the property owners a 90% discount and the City feels 10% is a good compromise.

Lupe Cuellar, Assistant City Attorney, explained the provision in the Local Government Code that allows cities to do this when it's right of ways.

**ACTION:** Motion made by Commissioner Wright, seconded by Commissioner De La Cruz, and unanimously carried to **APPROVE A RESOLUTION AMENDING A PREVIOUS ADOPTED**

**POLICY ESTABLISHING CRITERIA ALLOWING THE CITY TO CONVEY PROPERTY TO THE ABUTTING PROPERTY OWNER OWNING THE UNDERLYING FEE SIMPLE FOR LESS THAN THE FAIR MARKET VALUE AND FOR CITY INITIATED VACATION OF SUCH LAND.**

Motion passed.

The Commission was encouraged to review it, make comments and forward their recommendations to City Council for adoption on February 21, 2012.
